EDUCATION

Bachelor of Engineering (Software) (Honours)

University of New South Wales

Jan 2021 – Dec 2024

High School Certificate

Girraween High School

Jan 2021 – Dec 2024

PROFESSIONAL SKILLS

PROGRAMMING LANGUAGES

Python
Java
JavaScript
HTML / CSS
C
SQL / PostgreSQL

FRAMEWORKS & TOOLS

ReactJS
Netlify
Figma
Git / GitHub
AWS
Ruby

PERSONAL SKILLS

Analytical & Strategic
Problem Solving
Leadership & Management
Organisation
Communication
Teamwork & Collaboration
Creativity
Attention to Detail

PROFILE

Passionate and motivated to innovate in the digital landscape, I am a software engineering student ready to dive into the world of coding and product development. With an eye for detail and a strong understanding of software development processes, I aspire to push boundaries and crafting captivating user experiences.

EXPERIENCE

Academic Tutor | Alpha One Coaching College

April 2022 – Present

Educate and supported primary school students to further their understanding of Mathematics and English subjects.

Strong Communication · Adaptability · Analytical · Problem Solving

Food Service Worker | Subway

Jan 2021 – March 2022

Provided excellent customer service and maintained high standards of quality during high-volume, fast-paced operations

Time Management · Prioritisation · Interpersonal · Customer Service

PROJECTS

- Built an e-invoicing application using Python, JavaScript and ReactJS
- Developed an application that displays current weather events from external data sources utilising web-scraping
- Developed a professional social networking website in ReactJS
- Utilised a range of object-oriented design principles and hierarchical structures to develop the backend of a complex dungeonmania in Java
- Developed an algorithmic program using MATLAB to simulate the voltage and current in a solution system for NextGen Energy Storage
- Managed the website of Create UNSW using Ruby framework

EXTRACURRICULAR

Mentor | CompClub

June 2023 – Present

Guided high school students in coding workshops through hands-on projects, inspiring a passion for programming in a collaborative environment

Secretary | Create UNSW

September 2022 – Present

Provided secretarial and administrative support by organising meetings, coordinating the flow of internal and external information, and maintained routine correspondences.
